* The Iceland moss is a natural material that can be dyed in different colors. Because moss is a natural product and because of its presentation (e.g., indoor, outdoor, different lighting and so forth), the actual colors might differ from the images.

** Our „Do it yourself“-version Evergreen Flex is available in moss green and apple green.
Upon request and for a small additional fee the product can be manufactured in one of the 12 special colors
Please bear in mind that depending on availability and manufacturing time delivery time the delivery time might extend.
